

Selection of International Students for Long-term Training Courses Offered by the Japan International Cooperation Agency (JICA) (Fall 2023 enrollment)

Rakuno Gakuen University has been approved by the Japan International Cooperation Agency (JICA) to accept trainees under the long-term training program (fall 2023 enrollment). This document describes how international students will be accepted by the Graduate School of Veterinary Medicine and the Graduate School of Dairy Science as long-term trainees for the October 2023 enrollment. For more information about the long-term training program, please contact JICA.

(1) Entrance examination schedule, etc.

October 2023 enrollment	Application period	Thursday, April 13 to Monday, April 24, 2023 (Applications must be received by April 24, 2023.)
	Entrance examination screening	May, 2023: Document screening *We may elect to hold interviews or offer a written examination as necessary.
	Announcement of results	Friday, May 26, 2023
	Enrollment procedure period	Friday, July 28 to Wednesday, September 6, 2023 (Documentation must be received by September 6, 2023.)

- *1 Application results will be reported by the University not to the applicant, but to JICA.
- *2 Whether applicants are accepted as JICA trainees will be determined separately by JICA and reported directly to applicants.

(2) Screening method

Applicants will be judged based on a screening of the documentation they submit.

Applicants may be required to submit additional documentation as necessary as part of the screening process.
Applicants may also be required to participate in an interview or to complete a written examination as necessary.

[Required documentation]

- Application and photograph form · Resume · Description of research project
- Abstract of graduate thesis (master's thesis, research paper, etc.) · Final academic transcript
- Description of job report (as appropriate) · Certificate of Health · Copy of resident card · Letter of guarantee
